*EXAMINER. Initial if reference considered, whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant.

¹ Unique citation designation number. 'See attached Kinds of U.S. Patent Documents.' Enter Office that issued the document, by the two-letter code (NIPO Standard ST3.) 'For Assances patent documents, the indication of the year of the reign of the Emperor must proceed the serial number of the patent document. 'Kind of document by the appropriate symbols as indicated on the document under VIPO Standard ST. 18 if possible. 'Applicant to to place a check mark here if English language.'

Burden Hour Statement: This form is estimated to take 2.0 hours to complete. Time will wary depending upon the needs of the individual case. Any comments on the amount of time you are recurred to complete this form enough
